Society**

INVITATION to SPONSOR

Dear partners,

We are delighted to invite you to the lovely city of Vancouver, British Columbia, Canada for the 10th Scientific Congress of the International Pediatric Transplant Association which will be held from May 4-7, 2019.

The meeting will start on Saturday, May 4, with 2 pre-congress symposiums including a half-day Foundations in Paediatric Transplantation Pre-symposium and a full-day Allied Health Pre-symposium. The main meeting will start in the late afternoon of Saturday, May 4, and will continue for 3 full days closing on Tuesday, May 7. During this time we hope to stimulate thoughts and discussions around the latest developments in all fields of pediatric transplantation by plenary and state of the art lectures, interactive workshops as well as poster and abstract sessions.

Vancouver has a strong pediatric medical fraternity as hosts with a strong interest in pediatric transplantation and we endeavour to entice all our participants indoors with the quality of the research and talks that will be presented at the meeting.

Vancouver is an exciting city with much to offer from natural beauty and spectacular wildlife, a variety of outdoor activities and sporting opportunities as well as diverse cultural and Canadian historic interest. There are also excellent air links to many international cities and Vancouver is particularly accessible to North America and Asia. The meeting will be held in the Westin Bayshore Hotel in central Vancouver with other good accommodation facilities available in close proximity.

We invite you to support this exciting meeting as a sponsor and/or exhibitor for the benefit of the pediatric transplant patients that we serve.

Look forward to seeing you in Vancouver.

Mignon McCulloch
IPTA 2019 Congress Chair

Anne I. Dipchand
IPTA President

International Pediatric
Transplant Association

ABOUT IPTA

Mission Statement

The International Pediatric Transplant Association (IPTA)

is a professional organization of individuals in the field of pediatric transplantation. The purpose of the Association is to advance the science and practice of pediatric transplantation worldwide in order to improve the health of all children who require such treatment. The Association is dedicated to promoting technical and scientific advances in pediatric transplantation and to advocating for the rights of all children who need transplantation.

Our Goals

- **Promote the advancement** of the science and practice of transplantation in children worldwide
- **Promote research** and provide a forum that highlights the most recent advances in clinical and basic sciences related to pediatric transplantation
- **Serve as a unified voice** for the special needs of pediatric transplant recipients
- **Develop educational programs** for pediatric transplant professionals in underserved regions of the world that enable children to have access to transplantation globally
- **Become the international leader** in generating and disseminating information in the field of pediatric transplantation through the publication of our journal, *Pediatric Transplantation*

REASONS to SPONSOR OR EXHIBIT at IPTA 2019

IPTA Membership Demographics

The International Pediatric Transplant Association is comprised of physicians, scientists, and allied professionals in the field of pediatric transplantation. As an international society, our members represent five continents and 56 countries worldwide. Members come from a wide variety of specialties and are dedicated to promoting the advancement of the science and practice of transplantation in children worldwide. IPTA aspires to increase representation in less subscribed specialty areas.

732 TOTAL MEMBERS

Past Congresses

IPTA 2003, Rio de Janeiro, Brazil
IPTA 2005, Innsbruck, Austria
IPTA 2007, Cancun, Mexico
IPTA 2009, Istanbul, Turkey
IPTA 2011, Montreal, Canada
IPTA 2013, Warsaw, Poland
IPTA 2015, San Francisco, USA
IPTA 2017, Barcelona, Spain

Why Be a Part of IPTA 2019!

- The largest and most **international** pediatric transplantation congress in 2019
- Access to **over 300 clinicians**
- Unique opportunity to **meet with decision makers** from several disciplines
- Increase your organization's exposure to the **global pediatric transplant community**
- Demonstrate your commitment and contribution to **medical education**
- Be seen as supporting the development of the **next generation** of pediatric transplantation professionals
- Help pediatric transplantation science and ethical organ donation **thrive and succeed**

CONTINUING MEDICAL EDUCATION

IPTA 2019 will offer educational activities, which will be eligible for CME credits, offered by The Transplantation Society (TTS).

PHYSICIANS ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of The Transplantation Society (TTS) and the International Pediatric Transplant Association. TTS is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

This activity has been approved for a maximum of 26.5 credits of AMA PRA Category 1 Credit™. The Educational Mission of TTS is to provide comprehensive education programs in the science and clinical practice of transplantation that meet the needs for improved competence, performance, and patient outcomes, of its members, the medical community and the general community. Our specific focus is to provide information about the latest advancements within the basic science, clinical investigation as well as on the ethical guidance of the field of solid organ, cell, tissue, islet (both donor and recipient) and, xenogenetic transplantation.

PARTNERSHIP OPPORTUNITIES

Joining IPTA 2019 as a partner is a simple **3-STEP PROCESS**

Organizations have the flexibility and choice to tailor their own sponsorship experience. You get to select the Congress features that best accentuate your presence at IPTA 2019. This flexibility is designed to ensure that your specific needs and objectives are met.

If you are interested in Exhibit opportunities solely, please view page 10.

Step 1

Take a look at the different sponsorship levels on offer and see

what value-added benefits are included within each level. Identify where your partnership budget will fit.

Step 2

Choose one or more items from the “à la Carte” list to create your

custom sponsorship package.

For example, if you choose the lanyards and notepads, your investment is \$10,000 which makes you a Silver Partner. This partnership level comes with one booth, some free registration and exhibitor passes and additional visibility.

Step 3

Add up your items and enjoy all the additional benefits that

are included within the sponsorship level you have reached.

PARTNERSHIP OPPORTUNITIES

Step 1

This table reflects the additional benefits your organization will enjoy based on your overall partnership investment which is based on the items you will select in the next steps.

BENEFIT	Gold \$20,000+	Silver \$10,000+	Bronze \$5,000+	Contributor <\$5,000
GENERAL VISIBILITY				
Personalized alerts / push notifications in WebApp	1			
Logo on IPTA 2019 ad in <i>Pediatric Transplantation</i>	•

45' Early Morning Symposium (Sunday and Monday only)*

\$5,000.00 USD

- The opportunity to host an early morning symposium to a targeted audience up to 80 attendees.*
- Program content and speaker(s) to be organized by sponsor*
- Standard audio-visual package (1 screen, projector, sound, laptop at podium) and room rental are include in cost of sponsorship.

How IPTA will help you promote your symposium:

- Symposium will be included in all congress materials:
 - Symposia listing in the congress web app
 - Symposia printed in the congress pocket guide

Notes:

- * Sponsor is required to provide breakfast to delegates (at additional cost to the sponsor).
- ** In order to enhance the scientific program and prevent duplication of topics and speakers within the main program, the Scientific Program Committee must approve content and speakers in advance

Pre-congress Symposium: Foundations in Pediatric Transplantation*

\$10,000.00 USD

This pre-congress symposium will take place on Saturday, May 4, 2019 from 12:00-16:00 and expects to attract ~100 participants.

- Opportunity to include a promotional digital ad on digital signage.
- Recognition of your sponsorship in the Final Program on the Congress Web App.
- Exposure and acknowledgement as a sponsor of the congress in marketing activities.
- Opportunity to utilize the congress logo on sponsor's own promotional material.

Web Access to Recordings* (SOLD)

\$10,000.00 USD

All registered delegates, TTS Members and IPTA members will be given the opportunity to view the congress session recordings through a website for a year after the congress.

- Exclusive opportunity to sponsor the registrants' access to online content recorded during the congress.
- Acknowledgement of the sponsor (logo) to appear on introduction screen.
- Acknowledgement of the sponsor (logo) in the announcements mentioning web recordings in the Congress announcements, the on-site program pocket guide and on the congress website.
- The costs for recordings and posting the recordings online is included in cost of sponsorship.
- Acknowledgement as a congress sponsor on the congress website.
- Opportunity to include a promotional ad on digital signage.

Congress Web App* (SOLD)

\$15,000.00 USD

- Registered Delegates will have access to the Congress Web App which includes the following features: program, abstracts, networking, sponsor & exhibitor directory, info booth and more.
- Sponsor's logo appears at the top of the main screen and in the footer of all other pages.
- Sponsor can provide a short pop-up ad that will display once a day, the first time that the participant opens the Web App.
- Acknowledgement as a congress sponsor in the on-site program pocket guide and on the congress website.
- Opportunity to utilize the congress logo on sponsor's own promotional material.
