ABOUT

The International Pediatric Transplant Association (IPTA) is a professional organization of individuals in the field of pediatric transplantation. The purpose of the association is to advance the science and practice of pediatric transplantation worldwide in order to improve the health of all children who require such treatment. IPTA is dedicated to promoting technical and scientific advances in pediatric transplantation and advocating for the rights of all children who need transplantation.

BENEFITS

- Pediatric transplant educational opportunities
- Networking opportunities
- Voting and nomination rights for all levels of membership
- Access to the online membership directory
- Reduced registration fees for the biennial Congress
- Access to Congress travel awards for Trainee and Allied Health members
- Access to IPTA 2015, 2017, and 2019 Congress recordings
- Biennial Fellows workshops
- Online subscription to *Pediatric Transplantation*, the official journal of IPTA
- Discounted subscription rates for other transplant journals including *Transplantation Proceedings*, *Transplantation Reviews*, and more.
