

Application Instructions:

To apply for the IPTA Outreach Program, the Primary Applicant must be an active member of the IPTA and complete the following requirements:

1. Complete the application form found at <https://www.surveymonkey.com/r/K35NDBQ>
2. Submit a letter of support from the administrative leaders of the institution
3. Submit a letter of support from the local government
4. Submit a letter of support from the sponsoring pediatric transplant program director (if already identified).

Please note, IPTA will not consider an application complete until all of the above mentioned items have been received by the IPTA international headquarters office.

Please see the checklist document.

Requirements for Selected Institutions:

Should your institution be selected for the IPTA Outreach Program, an annual progress report will be required for the first three (3) years and then once every 4 years.

Outreach Program Contact Information:
