

TTS Research Grants Program

TTS Research Grants Notice of Intent Form

Please fill out the following form and submit alongside a letter of support from your chief, chair or mentor that confirms and clearly outlines your eligibility for this award. Please email this form and supporting documents to Jennifer.Goverman@tts.org by **April 30, 2022**.

Please note, only applicants whose notice of intent is accepted by our peer-review committee will be eligible to submit a full grant application.

Kindly review the guidelines for eligibility and the application criteria.

Name: _____

Title: _____

Institution: _____

Name of Mentor: _____

I confirm that:

- a. I am within the first five years of research in transplantation since starting my post-doctoral training by the grant application deadline (**June 1, 2022**). Applicants who have worked in other fields or taken a leave of absence are eligible beyond this five-year period for a corresponding extended period. Please ensure the letter of support clearly outlines this and supports your eligibility for this award.
- b. My research project will be conducted with appropriate ethical oversight and will abide by the Declaration of Istanbul.
- c. My research will commence prior to or on the start of the grant term (**September 1, 2022**).
- d. I have a sponsor/mentor that is a faculty member at my institution
- e. My sponsor/mentor and I are an active member of TTS or will complete a membership application by the grant deadline.

TTS Research Grants Program

Please pick the option that best describes your project the best.

The below items **should not change** when the full grant is submitted:

Title of Grant: _____

Pick a stream:

- | | |
|--|--|
| <input type="checkbox"/> Clinical | <input type="checkbox"/> Policy |
| <input type="checkbox"/> Basic Science | <input type="checkbox"/> Translational |
| <input type="checkbox"/> Health Services | <input type="checkbox"/> Ethics |

Other: _____

Please provide five key words that best describe your proposal. Please note that this will help identify reviewers for your full application.

Please provide the following, and please note that **these can be modified** should you be invited to submit the full grant application:

- Summary/Abstract: Please provide a short background and rationale, clearly outline your aims, briefly summarize the methods, and conclude with the anticipated significance and how the proposal is relevant to this grant competition (500 words max).
