Dear ISVCA Members,

We are delighted to invite you to the 18th Meeting of the International Society of Vascularized Composite Allotransplantation **(ISVCA 2027)**, to be held on **May 8–9, 2027**, at **Chang Gung Memorial Hospital in Taiwan**.

Registration and abstract submission are now open. Please note that the abstract submission deadline is **November 30, 2026**. We warmly encourage colleagues across the VCA community to take this opportunity to share their latest research, clinical experience, and advances in the field.

Several **Congress Scientific Awards** will be available to help offset travel expenses, and we strongly encourage eligible colleagues to submit their work for consideration. We hope to receive a broad range of high-quality submissions representing the diversity and continued progress of the VCA community. Please visit our website, **https://isvca2027.org**, for relevant meeting information.

For colleagues interested in the Chang Gung Memorial Hospital PRS Visiting Scholar Program, a concurrent visitorship may be possible for registered participants, subject to availability and confirmation. Please contact the Secretariat for further information.

We look forward to welcoming you to Taiwan in May 2027.

Warm regards,

The ISVCA 2027 Organizing Committee
